Christmas theme featured in Northern Lakes College student radio broadcasts

Christmas is the theme featured in the writings of Northern Lakes College students to be broadcast on 1020 AM The Fox High Prairie December 14 to 24.

Students in the University Studies course, Drama 2470, Introduction to Oral Communication, wrote about the holiday season as part of a special broadcasting project. The future teachers taped their writing for broadcast working with instructor Constance Brissenden and with the support of broadcasters Doug Spurgeon of the Doug Spurgeon in the Morning show and news reporter Keith Hopper of 1020 AM The Fox High Prairie.

Twenty-three students from four campuses, Slave Lake, High Level, Peace River, Valleyview, contributed to the special broadcasting project.

Listen to their Christmas memories December 14 to 18 during the 1020 AM The Fox High Prairie's annual food drive broadcasts, as well as on December 24 from 6 am to noon. The broadcasts can also be heard live at www.1020thefox.ca.
