

Public Information Session for the New NLC High Prairie Campus

We want to hear from you!

Northern Lakes College is hosting a public information session on January 31st at the High Prairie Campus (4208-53 Avenue).

Drop in anytime between 3:00 to 8:00 pm and give us some feedback on the NEW High Prairie Campus design. We value your opinion!!

Check out the conceptual drawings to see what the new design may look like! Meet the architects, Manasc Isaac and learn how the space will be designed to meet the learning needs of students. Talk to NLC staff and provide your feedback on the design concept. This project will make a significant difference in the community of High Prairie.
