

AFFORDABILITY

Do you know someone who would benefit from Basic Education Level (BEL) programming? This is a great opportunity for them to receive their foundation learning without having to pay for their tuition of books.

ACCESSIBILITY

Courses are online. Students can access the courses from home or at their local NLC campus.

ACCOUNTABILITY

Northern Lakes College partners with organizations such as the Community Adult Learning Program to ensure students have access to a quality education.

Bringing education to you!

**COMMUNITY ADULT
LEARNING PROGRAM**

Northern Lakes College partnership with Community Adult Learning Programs aligns with the CALP mandate for ***building vibrant learning communities*** including:

- Enhanced access and participation of adults in learning (particularly those adults with barriers to learning)
- Increased literacy and essential foundation skills of adults
- Strengthened pathways and successful transitions for adult learners
- Increased capacity and alignment of community providers with public post-secondary institutions

Alberta Government, 2016, p.3

Information on the mandate from Alberta Government, (2015). Community Adult Learning Program guidelines, Alberta Innovation and Advanced Education: Edmonton.
