

Research Ethics Policy

This document is the parent policy for any College procedures or regulations. Questions regarding this policy are to be directed to the identified Policy Administrator.

Policy Statement:

The Board of Governors expects the rights of participants engaged in research projects to be protected from greater than minimal risk.

Sponsor:	Academic
Policy Owner:	Vice President, Academic
Policy Administrator:	Vice President, Academic
Approved By:	Board of Governors
Approval Date:	April 23, 2020
Effective Date:	April 23, 2020

Objective:	N/A
Guidelines:	<p>Participants in research projects have the following rights:</p> <ol style="list-style-type: none"> 1. to consent to participation without coercion; 2. to be fully informed about the project, except under special circumstances; 3. to be provided with opportunity to assess risk; 4. to withdraw from the research without penalty of any kind (including loss of agreed upon monetary reimbursement or other incentives); 5. to be fully informed of the degree of anonymity; 6. to have access to the research results; and 7. to adhere to the Tri-Agency Framework for responsible conduct of research.
Definitions:	<i>Minimal risk</i> is defined as, “research in which the probability and magnitude of possible harms implied by participation in the research is no greater than those encountered by participants in those of their everyday life that relate to the research.” ¹
