GENERAL INTEREST TRAINING

ALL "A-BOARD" - VIRTUAL BOARD MEETINGS

(Code: BU337)

As more and more boards move toward virtual meetings, it can be a challenge, especially if everyone is not comfortable with the online meeting environment. How do you take minutes? How do you have discussions? What about rules of order? In this session, learn some valuable tools to make your virtual board meetings work so your organization can remain efficient and effective, even when they can't meet in person.

Unscheduled.

ALL "A-BOARD" - FINANCIAL BASICS FOR BOARD MEMBERS

(Code: BU342)

This session is for board members to gain a better understanding of the finances of their organizations. Topics include using financial controls to protect the organization's funds, requirements of the Societies Act, liability issues and what to look for when reviewing the financial statements of the organization.

Unscheduled.

CONVERSATIONAL CREE LEVEL 1

(Code: GI316)

Do you want to know how to speak basic phrases and greetings in Cree and learn about the culture at the same time? Join us for a six-session NLC LIVE online course that will teach beginner Cree speakers the basics. You will learn numbers, the days of the week, basic greetings, basic introductions, basic conversation phrases and some Cree songs to help you remember it all. Information about the Cree culture and where root words come from will also be covered. These sessions will cover both the Plains & Woodland Cree pronunciations.

Unscheduled.

EFFECTIVE ONLINE MEETINGS

(Code: BU003)

Many businesses and organizations have moved to almost exclusively meeting online. It has raised some very specific challenges as we work towards this "new normal" method of getting the job done. In this session, learn how to use your time more effectively by choosing when to meet online, using an agenda to stay on track, and learning of activities that will inspire more interaction from participants. Spend less time meeting and more time doing!

Unscheduled.

INTRODUCTION TO PODCASTING

(Code: GI416)

By the end of the course, you'll have a recording that you can share online with family and friends to showcase your podcasting skills, and have a newfound confidence in your ability to communicate confidently, both online and in-person. Podcasting is also a great medium for promotion and building online-based businesses, so learn about an exciting new industry with knowledgeable and friendly instructors willing to answer any questions you may have.

Unscheduled.

Same quality instruction you would receive in a traditional classroom, just offered live in an online environment.
