Book Drop-off: There will be a book bin located in Admissions to drop off your items, however, we also ask that you make an appointment for book drop-offs.

Please Note: If you are not located in Slave Lake you may still be able to get items to your closet NEOS library. Click [HERE](#) to see the list of NEOS libraries (please note all libraries currently have different Covid-19 procedures). NLC students and staff can sign out books from other NEOS libraries using your NLC ID/Barcode and Pin, because we do not give out physical cards you will need to bring a piece of ID when picking up the items.

Not located in Slave Lake but have items that need to be returned? You can contact your campus AF and schedule a time to drop-off your item. The following campuses are closed and not available for drop-offs: McLennan, Chateh, Driftpile.
