

EDUCATIONAL ASSISTANT CERTIFICATE TEXTBOOK LIST FALL 2024:

Students are required to purchase their own textbooks for the courses they are enrolled in. Below, is a list of all courses for this program and corresponding textbook information for **FALL 2024**.

Please note:

- Students can purchase textbooks directly from the publisher or a secondary seller (VitalSource, Amazon, Indigo, Social Media Marketplaces, [NLC Book Swap](#) (See Instructions Below), etc.). Libraries are also a great resource!
- We strongly encourage students to purchase the exact textbook listed (edition, year of publication, etc.), as this will ensure that the information is up to date and that the material is aligned with instruction.
- If, at the time of ordering, term start is less than three weeks away, we strongly suggest purchasing e-books, when available, to ensure immediate access to the required material.
- For hard copy textbooks, please ensure you purchase the correct edition which is associated with the International Standard Book Number (ISBN) and noted in each description, below. If you are purchasing an e-book, please note that this ISBN may differ slightly, therefore, please use the direct link provided.
- Some publishers provide the option to buy additional resources, but only the resource(s) listed is/are required.
- The cover of novels may be different between vendors.
