

## Early Learning Diploma Textbook List – 2024/2025

### Please note:

- Students can purchase textbooks directly from the publisher or a secondary seller (VitalSource, Amazon, Indigo, Social Media Marketplaces, [NLC Book Swap](#), etc.). Libraries are also a great resource!
- We strongly encourage students to purchase the exact textbook listed (edition, year of publication, etc.), as this will ensure that the information is up to date and that the material is aligned with instruction.
- If, at the time of ordering, term start is less than three weeks away, we strongly suggest purchasing e-books, when available, to ensure immediate access to the required material.
- Some publishers provide the option to buy additional resources, but only the resource(s) listed is/are required.
