Re: Greetings for Northern Lakes College Graduation

As the MLA for Grande Prairie, it is my sincere pleasure to offer greetings on behalf of the Legislative Assembly of Alberta to the graduating class of 2021.

I want to congratulate all of the graduates of Northern Lakes College on your achievements, especially during a year of pandemic. Your perseverance and dedication will pay off and I wish you every success in your future endeavours.

Thank you to the faculty and staff for your investment in our young people and excellent instruction. I trust that the graduates have been challenged and supported to grow in their logic and reasoning skills as well as their extracurricular pursuits. Thank you for your personal investment in our young people.

Again, congratulations to the graduating class of 2021 and I wish you a wonderful and safe time as you celebrate.

Sincerely,

A handwritten signature in blue ink that reads "T. Allard".
