

WAY TO GO, GRADS!

The Municipal District of Lesser Slave River brings you best wishes on this monumental day.

Education and skill development are the keys to economic prosperity and opens the door for so many more opportunities. We are proud that you have invested in yourselves with your dedication to study and hard work through the Northern Lakes College programs.

We would also like to take this opportunity to thank all of the great instructors that helped you achieve your certificate.

For those of you who are inspired to go even further with your education or know of classmates that are still striving to complete their academic goals, the Municipal District is proud to support post-secondary learning through our Rugged and Real Scholarship. Check it out here: <https://mdlsr.ca/opportunities/current-opportunities/scholarships-and-bursaries>

Again, we give our sincere congratulations to all NLC 2020 & 2021 graduates. We wish you the best in your future endeavours.
