

**Full Time 2023-2024**

**PROGRAM LENGTH:** 12 weeks

**BRIEF DESCRIPTION:** This occupation is most rewarding for those who enjoy variety, security and doing precision work with machinery and equipment. Industrial Mechanics (Millwrights) install, maintain, repair and troubleshoot stationary industrial machinery and mechanical equipment in sites such as factories, production plants and recreational facilities. To be successful in their trade, Industrial Mechanics need the strength and stamina required to work with heavy equipment weighing in excess of 25 kilograms, good coordination and manual dexterity, the ability to visualize a layout by looking at plans and blueprints, the ability to comprehend and trouble-shoot mechanical systems, the ability to get along with and sometimes supervise the work of others.

**OFFERING DATES: High Prairie:** February 5, 2024 – April 26, 2024

**APPLICATION PROCESS:**

- **APPLICATION:** Complete and submit the Northern Lakes College application available online on the college website at [www.northernlakescollege.ca](http://www.northernlakescollege.ca)
- **APPRENTICESHIP EXAM:** Applicants needing to meet admission requirements must call the Alberta Apprenticeship & Industry Training office nearest to their location to make arrangements for writing the Apprenticeship Entrance Exam. 1-800-248-4823.
- **ACCEPTANCE:** Applicants who meet the requirements will be accepted and offered a space in the next available offering of the program. In some cases, the spaces at a specific location may be full and accepted applicants will be placed on a waitlist. These applicants will be accepted in the order of “first qualified, first served.” Applicants will receive a letter informing them of their acceptance status.
- **FUNDING:** Applicants are encouraged to check on funding options early (minimum of 2 months prior to program start date). AIT office or NLC counsellors can assist with identifying funding options and applying for sponsorship of fees and living costs.
- **REGISTRATION:** Before the start date of the program, accepted applicants will receive information about registration dates, times, locations and other information to assist them by email – please ensure we have an accurate email address for you.
