

## Full and Part-Time 2023 - 2024

**PROGRAM LENGTH:** 30 weeks (Fall & Winter 15-week terms plus intersession)

### BRIEF DESCRIPTION:

Start a university education in your community and save wear and tear on your vehicle! You can take your first 2 years at Northern Lakes College instead of going to a major center. Our university transfer courses are accessible, affordable, and convenient. Class sizes are small, and instructors are helpful and caring. You can earn university credits towards a Northern Lakes College certificate or diploma. Credits can be transferred into these programs: Addiction Services Worker, Community Health Promotion, Early Learning and Childcare, Educational Assistant, Emergency Medical Technician, Practical Nurse, or Social Work. You can also transfer the university credits to another institution, into programs such as Aboriginal Studies, Arts, Education, General Studies or Social Work.
