Definitions:	<p>Long Service means long, continuous “service” with some allowance for breaks in service as defined below. Breaks in service to be considered include:</p> <ol style="list-style-type: none"> 1. Paid and unpaid leave is counted providing the employee returns to work after the leave is completed. 2. An employee who resigns and returns may count the years of service prior to the break along with current service, but only for a maximum of one break in service that does not exceed one year. 																

	<p>For long service calculations, the most recent, ongoing wage employment (without breaks) before becoming a continuous employee is included in the years of service.</p> <p>A wage employee in a continuous position will have their years of service for long service calculations based on their start date.</p> <p>Retirement means employees who retire from employment with Northern Lakes College after a minimum of five (5) years of continuous service.</p> <p>Retiree is an employee that is eligible to retire and is age 55 or older with a minimum of five (5) years of service.</p>
