

TOLKO INDIGENOUS SCHOLARSHIPS

Five \$1,000 Scholarship Awards

Tolko Industries Slave Lake and High Prairie Woodlands Divisions are proud to offer five scholarships to recognize and support Indigenous high school graduates from the Lesser Slave Lake region who are pursuing post-secondary education and a career path in natural resource management and environmental stewardship.

Tolko is committed to youth and to supporting those interested in pursuing their education. Giving back to our families by supporting the next generation of employees is rewarding. We have provided many scholarships to students over the years, most of whom live in the communities we live and work in.

The selection committee is made up of Tolko's Woodlands staff in both Slave Lake and High Prairie Divisions.

ELIGIBILITY CRITERIA

Scholarships are only available to Indigenous students (First Nations/Metis) from the Lesser Slave Lake region and apply to students pursuing any of the following post-secondary education areas of study or career paths:

- Forestry
- Biology
- Ecology
- Agrology
- Archeology
- Indigenous Studies
- Environmental Chemistry
- Environmental Engineering
- Geographic Information Systems (GIS)
- Land Surveying

HOW TO APPLY

The applicant must provide the following:

- Proof of acceptance into a recognized post-secondary educational institution (technical college or university) confirming their chosen field or area of study.

Please contact your Principal, Guidance Councilor, or Education Director today to apply !

APPLICATION DEADLINE
July 24, 2023, at 4pm MST
