

Following the Tuition and Fee Guideline set out by the Government of Alberta, Northern Lakes College estimates the following tuition for international students. The maximum tuition amounts listed are guaranteed for the regular duration of your intended program assuming that a full-time course load is maintained for the program each semester. Tuition amounts do NOT reflect all amounts owing.

**Tuition amounts are for tuition only.** They do not include other fees, such as: Student Association Fees, Mandatory Non-Instructional Fees, Textbooks or supplies. As well, these costs do not include health or dental costs, nor any living expenses.
