# MOMENTS LIKE THIS

BY THE AFTERS

Here we are on top of the stars  
Never thought we'd ever get this far  
We live for moments like this  
We come alive in moments like this

Here we are this is the time  
Like a dream coming to life  
We live for moments like these  
We come alive in moments like this  
Moments like this

I try to take a breath, thoughts racing through my head  
I try to capture it, but a picture can't hold what a heart is feeling

I just wanna stop the world from spinning  
Slow it all down for a minute so that I can take it in  
I can take it in

Here we are on top of the stars  
Never thought we'd ever get this far  
We live for moments like this  
We come alive in moments like this

Here we are, this is our time  
Like a dream coming to life  
We live for moments like this  
We come alive in moments like this

In moments like this

I don't wanna close my eyes, I'm feeling so alive  
I try to find the words, but no words can say what my heart is feeling

I just wanna stop the world from spinning  
Slow it all down for a minute so that I can take it in  
I can take it in  
Here we are on top of the stars
